Chair Massage FAQ- Kaleidoscope Soul

What types of events do you offer chair massage for?

Chair massage is available for a wide range of events—retreats, wellness fairs, open houses, work socials, family gatherings, bridal showers, and more. It's a great way to offer care and create a memorable experience for your guests or team.

What are the payment options?

There are three main options:

1. Sponsored / Pay-What-You-Can Events
   - You (or your organization) sponsor the event, and participants pay what they can.
   - My standard rate is $2/minute, but I offer a sliding scale for accessibility.
   - This is great for community-centered or inclusive events.
2. Per-Person Rate
   - You pay a flat amount per guest. A common example: $10 per person for five-minute massages.
   - This works best for smaller gatherings where the host wants to manage a set budget and number of guests.
   - This option requires more active coordination from the host.
3. Hourly Rate
   - $95/hour with a 2-hour minimum.
   - You can determine how to divide up the time per guest.
   - This is the most flexible and popular option for larger groups or corporate events.

Are there any extra fees?

- Travel outside of Eau Claire will incur an additional travel fee.
- Optional add-ons like aromatherapy, a custom playlist, or ambiance upgrades are available for an added cost—ask for a quote when booking.
- If you'd like to include multiple therapists, this can be arranged with an additional booking fee.

What do you bring?

I bring my own massage chair, all necessary supplies, and a grounded, calm presence. You just need to provide the space and the people.

Can we offer coupons or prizes through you?

Absolutely! Custom coupons can be created for your guests, offering them a discount or free upgrade on full-body services. I can also provide raffle prizes—just let me know what fits your event.

What if none of the options feel quite right?

Let's chat! I'm happy to co-create an offering that suits your group's needs and energy. Every gathering is unique, and your care should be too.

Will you be promoting your services during the event?

Only with intention and respect. I bring business cards and optional flyers or coupons, but my focus is always on creating a relaxing experience. If you would like me to share more actively about my services, like upcoming events, specials, or a sign-up list, I am happy to do that. Or, if you prefer a low-key presence, I will simply show up, offer care, and leave it at that. Your event, your vibe.

Can we have a theme?

Yes, please! I love a good theme and am always happy to play along—whether it's dressing on-theme, curating a custom playlist, or leaning into a specific vibe (think retro, cozy, mystical, playful, etc.). I've even stepped into character before! If you have an idea, let's run with it.
